Thought for the Day: The forty-two parables in the Gospels are designed to take us up short and make us think again. Today's parable is a good example. The actions of the employer and the treatment of the workers simply would not work today as a labour relations strategy and would also not have worked in the time of Jesus. And what is the point? Really that it doesn't matter when we come to the Gospel, early, middle or late, by routes direct or circuitous, in full stride or falteringly: all that matters is that we come to the Gospel. Achievement counts for nothing; grace is everything, thanks be to God!
Prayer: The door of faith is always open and you welcome us, O God, whenever our hearts are open. We are grateful for your loving patience and generosity.

(Fr Kieran O'Mahony)
